

New CTP Replacement Parts for Heavy Equipment

CTP MUFFLERS

CTP Mufflers

The processes through which CTP mufflers are put through allow reduction cost in high quality products. Our parts are prepared through blasting process, with micron steel spheres, that open the raw-material surface pores, improving the paint-surface assembly and the paint mechanical resistance. This makes CTP mufflers more efficient when submitted to severe work conditions.

Part No.	Description
1099323	MUFFLER A
1121665	MUFFLER
1123249	MUFFLER A
1125088	MUFFLER A
